

InterDev Retail Referral Program

How Does It Work?

As an authorized CLEAR retailer, InterDev will place a Point of Sale (POS) display unit in your retail store which contains brochures that explain the various rate plans available and special promotional offers. As a store manager or owner, you earn \$25 per referral for month-to-month deals or \$50 per referral for 2-year agreement deals when the customer contacts us and signs up for CLEAR service.

How Do I Participate?

All you need do is fill out the Retailer Profile Sheet and place the POS display unit in a conspicuous location so it's convenient for your customers. It's that simple. You are under no obligation to do anything else. We handle all the details including signing up the customer and providing them with their CLEAR equipment.

How Does The Customer Sign Up?

Ask the customer to either go online to www.interdev.com/clear or call InterDev to sign up for CLEAR service. Or they can stop by our office located in Roswell on Holcomb Bridge Rd directly across from the new Super Target.

Several different rate plans are available **starting at just \$20 per month**. When the customer signs up, we will ask them to give us the promotional code located on the back of the rate brochure.

This promotional code is used to track your referral fees. Referral fees will vary from \$25 to \$50 depending on the type of rate plan purchased by the customer. And special promotional offers such as the Pick 2 Unlimited Plan will be offered each month.
